Calling all tag rugby players! St Mary's school has been challenged to a serious 3 school tournament which will take place here at our school on the afternoon of 7th February. If you're a fast runner we need you! Normal rugby club practise has resumed on Tuesdays 3.30 – 4.30pm. Mr Mullins our coach is ready to impart his great knowledge to you all as a former Wales international backs player. Mr Szwagrzak Club manager is eager for the school to do well in this inaugural tournament open to all junior ages. Miss Williams is also available as a specialist coach at training sessions. **BUT WE NEED YOU!!!** Boys and Girls please just turn up next Tuesday!

GROWTH MINDSET ASSEMBLY

On Thursday 19 January four pupils from Year 6 presented a growth mindset assembly with help from Miss Way. Therefore the assembly had a maths focus of course! It was all about the world famous Rubik's cube. Children learned a little about professor Rubik from Hungary through a quite wonderful edition of 'St Mary's does countdown'. The assembly was done by Miss Way, Findlay, Izzy, Connor and Molly.

Club Funding

As agreed in this week's PTA meeting, the Gymnastics club, Art club and Chess club have been provided with funds for competitions and art supplies. This is only possible due to the generous support of parents at PTA events. Thank you.
